

East Dunbartonshire Council

Early Years Admission Policy for children entitled to 600 hours of Early Learning and Childcare (including two year olds) : Updated May 2015

The Revised Admission Policy is based on the principles within the Strategic Review of Early Years and Childcare, which was approved by the Council on 17 December 2013. It takes account of the increased entitlement to early learning and childcare for eligible children as detailed in the Children and Young People's Act as well as the secondary legislation with regard to eligible two year olds. This policy has been updated to include the additional entitlement for two year olds with effect from August 2015.

1.0 Service Provision and Eligibility`

1.1 The Children and Young People Act will increase the entitlement of all eligible ante and pre-school children to 600 hours of early learning and childcare. Children become eligible in the term following their third birthday. Two year old children who are looked after and in kinship care and those in households which are in receipt of certain benefits are also eligible. Refer to Section 1.2 for criteria. Two year olds become eligible in the term following their second birthday.

1.2 Two year old children would be eligible if they are looked after or in kinship care or where they are in a household which qualify for any of these benefits:

- Income support
- Income based job seekers allowance
- Income related employment and support allowance
- Incapacity benefit or severe disablement allowance
- State pension credit

The Education Service would also require the parent/ carer to provide evidence they were engaging in work related activity such as job seeking, employability pipeline programmes, training, studying and family support programmes such as parenting programmes.

From August 2015, the two year olds who are in a household which qualify for free school meals:

- Income support;
- Income based job seekers allowance
- Income related employment and support allowance
- Prescribed Tax Credits:
- Child Tax Credit (but not Working Tax Credit), based on an annual income not exceeding the first income threshold for Child Tax Credit (currently £16,105); or,

- Both maximum Child Tax Credit and maximum Working Tax Credit based on an annual income not exceeding the first income threshold for Working Tax Credit (currently £6,420); or, where the child's parent has ceased to work the required minimum number of hours but remains entitled to Working Tax Credit (Working Tax Credit can continue to be awarded for a maximum period of 4 weeks immediately following the end of employment or reduction in hours); or,
 - Universal credit (under Part 1 of the Welfare Reform Act 2012(c)
 - Support under Part VI of the Immigration and Asylum Act 1999.
- 1.3 The Act requires local authorities to ensure that the early learning and childcare provision available is flexible enough to allow parents an appropriate degree of choice when deciding to access services. East Dunbartonshire Council will build up models and choice incrementally in line with the Strategic Plan for Early Years. This was informed by a survey of parents carried out in September 2013.
- 1.4 As part of the implementation of 600 hours, provision has been reviewed on a locality basis to provide a range of provision within each area. The locality areas have been defined as follows:
- Bearsden / Milngavie / Torrance;
 - Bishopbriggs; and
 - Kirkintilloch/ Lenzie/ Milton of Campsie/ Lennoxton/ Twechar.
- 1.5 Parents will be able to access the entitlement to 600 hours early learning and childcare for their ante or pre-school child in the following ways:
- Five sessional places at a local authority nursery: Each session being three hours ten minutes; five days per week – morning or afternoon. Term time (38 weeks per year excluding five in-service days). All local authority nurseries offer sessional places;
 - At an extended day term time nursery in the local authority – parents can purchase additional sessions. There are extended day nurseries in each locality within East Dunbartonshire.
 - At an extended day / year centre in the local authority – parents can purchase additional sessions. There are extended day / year centres in each locality within East Dunbartonshire.
 - At a partner provider – sessional or extended day / year.
- 1.6 Provision for two year olds is provided in some centres within each locality:
- Bishopbriggs: Cleddens Learning and Childcare Centre (Extended day and year provision) ; Auchinairn Nursery (Extended day provision)
 - Kirkintilloch/ Lenzie and the Villages: Hillhead Nursery (Extended day and year provision); Lennoxton Nursery (Extended day and year provision); Twechar Nursery (Afternoon sessions); Gartconner Nursery (Extended day provision); Lenzie Nursery (Afternoon sessions).

- Bearsden and Milngavie: Castlehill Nursery (Extended day and year provision); Clober Nursery (Extended day and year provision)

The Education Service will also procure places at childminders or private providers. The authority will build up provision for two year olds to provide more flexibility and choice for parents in line with the Strategic Plan for Early Years and within the financial constraints.

- 1.7 East Dunbartonshire Council procures places with partner providers for ante and pre-school children. There is a tendering process in place, which allocates places in centres where the partnership criteria have been met. This details certain conditions including quality, price and financial viability.
- 1.7 Scottish Government Guidance recommends that children attend nursery for not less than two and a half hours per day and for not less than two days per week. Two 8 hour sessions would be the maximum funded compressed hours available i.e 16 hours per week; where parents request more hours, these could be purchased. In this way, the funding for 600 hours would be spread across the school or calendar year for parents.
- 1.8 Quality is a priority for all East Dunbartonshire Council early years' providers. Partner Providers must meet certain conditions of contract e.g. working towards high quality early years education and childcare, implementing child protection and health and safety policies. Staff in partnership centres benefit from training provided by East Dunbartonshire Council. Partnership centres, in addition to being inspected by the Care Inspectorate, are inspected by Education Scotland to ensure that an appropriate curriculum is being offered. The Education Service provides support and advice to partner providers as detailed in the Contract.
- 1.9 For the purpose of allocating sessional nursery places, East Dunbartonshire has been split into specific geographical areas, defined by the catchment areas of the Council's non-denominational primary schools.

2.0 Entitlement to provision

- 2.1 All pre-school children aged four years of age are eligible for a funded place. Children in their ante pre-school year become eligible in the term following their third birthday. Eligible two year old children become eligible in the term following their second birthday.

Where a child's birthday falls on or between the following dates:	The child will become eligible from the following school term:
1 March – 31 August	August (autumn term)
1 September – 31 December	January (spring term)
1 January – last day of February	March / April (summer term)

2.2 Parents may request to defer entry to primary school if their child has additional support needs or other difficulties affecting their development. Children born in January or February have the right to an additional year of funding at nursery. Children born in September – December will be subject to approval by the Early Years Community Assessment Team – EYCAT. This will consider assessment by nursery staff, psychological services and/or other agencies as well as the views of parents. If approved, a further year's funding at nursery will be allocated. In all cases, this should be at the nursery which the child already attends.

2.3 Ante and Pre-school children resident in other Council areas will be allocated places within an East Dunbartonshire Council nursery, in accordance with the Admissions Process detailed in Section 3. This is part of a cross boundary arrangement with other local authorities. This does not apply to eligible two year old children.

3.0 Admission Process and Banding Procedures for three and four year olds (Ante and Pre-School Places)

3.1 Registration for ante and pre-school nursery places will take place in January / February each year. The last day of February will be the closing date for applications. All applications received after the closing date will be subject to available places and funding.

3.2 Parents should apply using the EDC Registration Form. The Registration Leaflet provides information for parents. These are available from Council offices, schools and the Council Website. If parents are applying for a deferred entry or their child already attends a local authority nursery and they are applying for a pre-school place, there are separate forms to be completed.

3.3 Where a request for assistance has been made by another agency this should be done on the Revised Early Years Request for Assistance Form.

3.4 Where there is insufficient provision to meet the demand, decisions must be taken to determine which children should be given the available places. Where possible, siblings will be allocated a place in the same nursery or sessions. East Dunbartonshire Council has agreed that there are circumstances which will give some children priority for admission. The same priorities will be used for all council nurseries. If demand exceeds the available places, a ballot will be conducted to ensure a fair allocation.

3.5 Banding Procedures

3.5.1 **Sessional places in local authority nurseries** (3 hour 10 minute sessions only), the following banding will be used to allocate places:

Band 1 being highest priority and Band 4 being lowest priority.

Band 1

5.0 Locality Admissions Panels (LAP)

- 5.1 Each locality as defined in Section 1.5 should establish a Locality Admissions Panel to discuss and agree placement decisions.
- 5.2 The membership of the LAP will comprise:
- A member of the Senior Management from each extended day centre in the locality; and
 - A representative from the authority's Early Years Team – Service Manager (Early Years) or nominated replacement; and
 - Representatives from Health, Social Work or any other relevant agency regarding Band 1 applications.
- 5.3 The Banding as detailed in Section 3 of this policy should be used unless in exceptional circumstances. Approval should be sought from the Education Officer (Early Years and Primary) or the Chief Education Officer.
- 5.4 A Chairperson should be nominated by each LAP. This individual will be responsible for ensuring meetings are co-ordinated and decisions recorded. This role can be on a rotational basis. A record of the decisions should be sent to the Service Manager (Early Years)

6.0 Allocation of places for children with additional support needs / Emergency admissions

- 6.1 Places at Campsie View Nursery and Twechar Language and Communication Resource are made by the Early Years Assessment Group (EYCAT). These places are usually additional to the entitlement to funded provision. If a child attends on a split placement with a mainstream nursery, the funded part of their entitlement will be in the mainstream placement. If a child only attends Campsie View they will be entitled to attend for a longer session – three hours ten minutes per day/ term time.
- 6.2 There may be occasions when a referral is made for an emergency place at a local authority nursery. This is at the discretion of the Education Officer. (Early Years and Primary)
